

BENGALURU SUSTAINABILITY MANIFESTO

What is the Bengaluru Sustainability Manifesto?

It is a bold and collective vision of the citizens of Bengaluru to make our city liveable, sustainable, resilient, and prosperous within the next 10 years.

OUR KEY ASKS

DECLARE IT

MAKE SUSTAINABLE DEVELOPMENT A CITY-LEVEL PRIORITY NOW

and recognize that the environment, livelihoods, economy and social equity are all deeply interconnected issues that must be solved together.

ESTABLISH A CITY-LEVEL BENGALURU DEPARTMENT OF SUSTAINABILITY BY 2021

equipped with interdisciplinary experts, an adequate budget and built-in responsibilities and accountability.

INVEST IN IT

LAUNCH A BENGALURU 2030 SUSTAINABILITY AND CLIMATE ACTION MASTER PLAN BY 2023

and catalyze a systematic shift during this decade towards a green Bengaluru in 2030, with an integrated focus on governance, infrastructure, disaster resilience and socio-economic equity and prosperity.
