Introduction

- BBMP General Election process is deeply flawed, the last date for withdrawal was on Aug 13
- Polling on Aug 22 giving only 6 day for campaigning which is too short for any meaningful elections
- A minimum of 15 days should be given to enable citizens & Civic groups to properly evaluate candidates
- The Electoral rolls too is deeply flawed with
 - Non inclusion of more than 5 lakh (as of today) first time voters by SEC for BBMP Elections which are approved by CEO KA & included in the CEO KA database
 - 45,000 voters (as of 26th July) which was deleted in CEO KA database are not deleted in SEC database as reported by Cdr. PG Bhat, India's National electoral expert
- Due to this flawed process, B.PAC could only evaluate candidates from 81 wards
